I'll Tell Me Ma

Intro D /

Chorus

I'll tell me ma when I go home, the boys won't leave the girls alone,
They pulled my hair, they stole my comb but that's all right till I go home.
She is handsome, she is pretty she is the belle of Belfast city,
She is courtin' one two three, please won't you tell me who is she?

Albert Mooney says he loves her, all the boys are fightin' for her,
They knock at the door, ring at the bell, saying "Oh, my true love, are you well?"
Out she comes as white as snow, rings on her fingers, bells on her toes
Old Johnny Morrissey says she'll die, if she doesn't get the fella with the roving eye.

Chorus

Let the wind and the rain and the hail blow high and the snow come travelin' from the sky
She's as sweet as apple pie, she'll get her own lad by and by,
When she gets a lad of her own, she won't tell her ma when she gets home.
Let them all come as they will, it's Albert Mooney she loves still.

Chorus x2

Over the hills and far away

G C
Here's forty shillings on the drum
G D
For those who volunteer to come,
G C
To 'list and fight the foe today
Am D
Over the Hills and far away

Chorus

G C G D
O'er the hills and o'er the main, through Flanders, Portugal and Spain
G C Am D
King George commands and we obey, over the Hills and far away

G C
When duty calls me I must go
G D
To stand and face another foe
G C
But part of me will always stray
Am D
Over the Hills and far away

Chorus

G C
If I should fall to rise no more
G D
As many comrades did before
G C
Then ask the fifes and drums to play
Am D
Over the Hills and far away

Chorus

G C
Then fall in lads behind the drum
G D
With colours blazing like the sun
G C
Along the road to come what may
Am D
Over the Hills and far away

Chorus x2

Uncle Joe's Mint Balls

Intro C /

Now there's a place in Wigan a place you all should know

A busy little factory where things are all the go

They don't make Jakes or Eccles Cakes or things to stick on walls

But night and day they work away at Uncle Joe's Mint Balls

Chorus

Uncle Joe's Mint Balls keep you all aglow

Give 'em to your granny and watch the bugger go

Away with coughs and sniffles, take a few in hand

Suck 'em and see, you'll agree, they're the best in all the land

Me dad has always wanted curly hair on his bald head

Suck an Uncle Joe's Mint Ball that's what the doctor said

So he got an Uncle Joe's Mint Ball and sucked it all night long

When he got up next morning, he'd hairs all over his tongue

Chorus

Me uncle Albert passed away from ale upon the brain
The doctors said that he were dead and would never walk again
So they gave the corpse an Uncle Joe's and then stood back aghast
Cos the corpse jumped up and ran to the pub and spent the insurance brass

Chorus

I had a girl her name was May in passion she were lackin'
Fed 'er with whisky to make 'er frisky, still she wouldn't get crackin'
So I gave her an Uncle Joe's Mint Ball to get 'er all aglow
Now she combs the streets of Wigan, looking for Uncle Joe!

Chorus

We gave some to the coalman's 'orse as it stood in the road
It gave a cough then beggared off with it's cart an' load
It ran onto the racecourse going like a bird
Covered the track with nutty slack and came first, second and third

Chorus (with this very last line)

Suck 'em and see, you'll agree, they're the best... in... all... the... la.....nd

Yellow Rose of Texas

Intro G ///

There's a yellow rose in Texas that I am gonna see.

D

Nobody else could miss her not half as much as me

G

She cried so when I left her it was like it broke her heart

C G D G

And if I ever find her we never more will part

She's the sweetest little rose bud that Texas ever knew

D

Her eyes are bright as diamonds they sparkle like the dew

G

You may talk about your Clementine and sing of Rosa Lee

C G D G

But the yellow rose of Texas is the only girl for me

Where the Rio Grande is flowing and the starry skies are bright

D

She walks along the river in the quiet summer night

G

I know that she remembers when we parted long ago

C G D G

I promise to return and not to leave her so

She's the sweetest little rose bud that Texas ever knew

D

Her eyes are bright as diamonds they sparkle like the dew

G

You may talk about your Clementine and sing of Rosa Lee

C G D G

But the yellow rose of Texas is the only girl for me

Now I'm gonna find her for my heart is full of woe

D

We'll do the things together we did so long ago

G

We'll play the ukulele she'll love me like before

C G D G

And the yellow rose of Texas shall be mine forever more

She's the sweetest little rose bud that Texas ever knew

D

Her eyes are bright as diamonds they sparkle like the dew

G

You may talk about your Clementine and sing of Rosa Lee

C G D G G G

But the yellow rose of Texas is the only girl for me
