Christmas Dream Perry Como

Intro A E7 D E7 D E7 A

Beats 2 2 2 2 2 2 4

Watch me now, here I go, all I need's a little snow.

Starts me off, sets the theme, helps me dream my Christmas dream.

D G D A E7 A
Every year I dream it, hoping things will change, an end to the crying, the shouting, the dying
D A E7 A
And I hope you will dream it too. It's Christmas, remember. We've got to remember.
D A E7 A
So, light the light, I'm home tonight, I need you to warm me, to calm me, to love me
E7 A E7 D E7 D E7 A
To help me to dream my Christmas dream

Crazy things, said and done, Every single day but one.

Every night should, I believe, be the same as Christmas Eve.

D G D A E7 A
Nights should all be silent, days should all slow down, an end to the hurry, the noise and the worry.
D A E7 A
And I hope you believe that too. It's Christmas, remember. Does no-one remember?
D A E7 A
The whole world needs, a Christmas dream, we need it to warm us, to calm us, to love us
E7 A E7 D E7 D E7 A
To help us to dream our Christmas dream!

Lüge dirigiert die Welt, Ehrlichkeit bringt selten Geld,
Jeder möcht' Sieger sein, wer verliert bleibt ganz allein.

D G D A E7 A
Doch manch Will' ist möglich durch die Fantasie. Du stirbst um zu leben und nimmst um zu geben

Einmal im Jahr wird alles wahr. Zu Weihnacht vergiss nicht, Vergiss es gewiss nicht.

Frosty the Snowman

Intro G /

G C G
Frosty the Snowman, was a jolly happy soul

C G D G
With a corn-cob pipe and a button nose and two eyes made out of coal.

G C G
Frosty the Snowman, is a fairy tale they say

C G C D7 G
He was made of snow but the children know how he came to life one day.

C Bm Am D7 G
There must have been some magic in that old silk hat they found,

D B7 A7 D7
For when they put it on his head he began to dance around.

G C G
Oh, Frosty the Snowman was alive as he could be,

C G C D7 G
And the children say he could laugh and play just the same as you and me.

G C G
Frosty the Snowman, knew the sun was hot that day,

C G C D7 G
So he said, "Let's run and we'll have some fun now before I melt away."

G C G
Down to the village, with a broomstick in his hand,

C G C D7 G
Running here and there all around the square, saying "Catch me if you can."

C Bm Am G
He led them down the streets of town right to the traffic cop,

D B7 A7 D7
And he only paused a moment when he heard him holler, "Stop!"

G C G
Frosty the Snowman had to hurry on his way,

C G C D7 G
But he waved goodbye, saying, "Don't you cry, I'll be back again some day.

I wish It Could Be Christmas Every Day

Intro G D C G C G D7

When the snowman brings the snow, well he just might like to know

He's put a great big smile upon somebody's face

If you jump into your bed, quickly cover up your head

Don't you lock the doors, you know that sweet Santa Claus is on the way

Chorus Well I wish it could be Christmas every day

When the kids start singing and the band begins to play

Well I wish it could be Christmas every day

So let the bells, ring out for Christmas.

When we're skating in the park, if the snow cloud paints it dark

Then your rosey cheeks gonna light my merry way

Now the frosty paws appear, and they've frozen up my ears,

So we'll lie by the fire, till the sleet simply knocks them all away

Chorus

When the snowman brings the snow, well he just might like to know

He's put a great big smile upon somebody's face.

So if Santa brings that sleigh, all along the Milky Way

I'll sign my name on the rooftop, in the snow, then he may decide to stay

Chorus

Why don't you give...your love, for Christmas?

When the snowman brings the snow, when the snowman brings the snow

When the snowman brings the snow, when the snowman brings the snow

Let It Snow

Intro D A7 D

Oh the weather outside is frightful, but the fire is so delightful,
 And since we've no place to go, let it snow let it snow let it snow

It doesn't show signs of stopping and I brought some corn for popping
 The lights are turned way down low, let it snow let it snow let it snow

When we finally kiss good night, how I'll hate going out in the storm
 But if you really hold me tight, all the way home I'll be warm

The fire is slowly dying and my dear we're still goodbyeing
 But as long as you love me so, let it snow let it snow let it snow

Mary's Boy Child

Intro G /

Long time ago in Bethlehem, so the Holy Bible say,

Mary's boy child Jesus Christ, was born on Christmas Day.

Hark, now hear the angels sing, a king was born today

And man will live for evermore, because of Christmas Day.

While shepherds watch their flocks by night, they see a bright new shining star,

They hear a choir sing a song, the music seemed to come from afar.

Hark, now hear the angels sing, a king was born today

And man will live for evermore, because of Christmas Day.

Now Joseph and his wife, Mary, came to Bethlehem that night,

They find no place to bear her child, not a single room was in sight.

Hark, now hear the angels sing, a king was born today

And man will live for evermore, because of Christmas Day.

And then they find a little nook in a stable all forlorn,

And in a manger cold and dark, Mary's little boy was born.

Hark, now hear the angels sing, a king was born today

And man will live for evermore, because of Christmas Day.

Trumpets sound and angels sing, listen to what they say

That man will live for evermore, because of Christmas Day.

Winter Song Lindisfarne

Intro (3/4) Cmaj7 /// G7sus4 /// Cmaj7 /// G7sus4 /// Cmaj7 /// Csus4 /// C ///

C Cmaj7 C6 C7
 When winter's shadowy fingers first pursue you down the street,
 F Am Dm F7
 And your boots no longer lie about the cold around your feet,
 Bb Bbmaj7 G7 G7sus4 G7
 Do you spare a thought for summer, whose passage is complete?
 C Cmaj7 C6 C7
 Whose memories lie in ruins, and whose ruins lie in heat,
 Fm G7sus4 G7 C Csus4 C Csus4
 When winter comes howling in.

C Cmaj7 C6 C7
 When the wind is singing strangely, blowing music through your head,
 F Am Dm F7
 And your rain-splattered windows make you decide to stay in bed,
 Bb Bbmaj7 G7 G7sus4 G7
 Do you spare a thought for the homeless tramp who wishes he was dead,
 C Cmaj7 C6 C7
 Or do you pull your bed-clothes higher, dream of summertime instead,
 Fm G7sus4 G7 C Csus4 C Csus4
 When winter comes howling in.

C Cmaj7 C6 C7
 The creeping cold has fingers, that caress without permission,
 F Am Dm F7
 And mystic crystal snowdrops only aggravate the condition,
 Bb Bbmaj7 G7 G7sus4 G7
 Do you spare one thought for the gypsy, with no secure position,
 C Cmaj7 C6 C7
 Who's turned, and spurned, by village and town, at the magistrate's decision,
 Fm G7sus4 G7 C Csus4 C Csus4
 When winter comes howling in.

C Cmaj7 C6 C7
 When the turkey's in the oven, and the Christmas presents are bought,
 F Am Dm F7
 And Santa's in his module, he's an American astronaut,
 Bb Bbmaj7 G7 G7sus4 G7
 Do you spare one thought for Jesus, who had nothing but his thoughts,
 C Cmaj7 C6 C7
 Who got busted just for talking, and befriending the wrong sorts,
 Fm G7sus4 G7 C Csus4 C Csus4
 When winter comes howling in.
 Fm G7sus4 G7 C Csus4 C Csus4 C
 When winter comes howling in.
